Local Brews in the Bottle:

Elysian - Capitol Hill, Seattle

In Greek myth the Elysian Fields were part of the Isle of Elysium, a land of perfect peace and happiness at the farthest, westernmost edge of the world. There after death the great heroes were carried, body and soul, and made immortal. Amid trees and grass, soothed by the gentle winds and bathed by never-failing rose-tinted light, they were free to pursue their favorite activities, and worries and illness were unknown.

Wise - **ESB** or Perseus - **Porter** - 22 oz \$ 10

Hair of the Dog - Portland, OR

Hair of the Dog Brewing Co. is dedicated to providing the beer lover with new and unusual beer styles. Several of their beers are bottle conditioned or refermented in the bottle resulting in beers which improve with age. They can be stored at room temperature and will continue to mature for several years like a fine wine. They make only a small amount of beer and each bottle has a unique bottling number.

Fred - **Golden Strong Ale** or Adam - **Hearty Old World Ale** - \$ 8

Terminal Gravity - Enterprise, OR

The inception of the brew pub began when Steve Carper and wife Debra Duquette were living in Portland, feeling unease with the city lifestyle. They decided to step outside the box and into the world of kettles, malt and mash. Carper's passion for brewing was further fueled by a keen observation that many of the once small specialty breweries were expanding and, in essence, losing some of their unique tasting products in order to appeal to a wider market of beverage connoisseurs. He perceived the very small local brewery market maintained select tasting products.

ESB - **Extra Special Golden** - \$ 6

Fish Tale - Olympia, WA

Nestled in the lush bosom of the Republic of Cascadia, the Fish Tale Brewery has been home to celebrated ales since 1993. Hand-crafting at the famed 40-Barrel Brewhouse, the Mighty Fish Brewers create their proudest achievements: Award-winning Fish Tale Organic Ales. Brewed in the great Cascadian tradition, Fish Tale Organic Ales spring purely from Certified Organic malted barley and the finest hops available. What results are robustly delightful ales that salute organic farming and all of the benefits it brings to your table.

Organic Seasonal - **Blonde** - \$ 5

Hopworks - Portland, OR

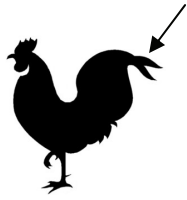

Hopworks Urban Brewery is Portland's first Eco-Brewpub to offer all organic handcrafted beers, fresh local ingredients, and a sustainable building with a relaxed and casual atmosphere. Brewmaster Christian Ettinger has spent the past year and half constructing his "dream brewpub." HUB incorporates all aspects of sustainability. From composting to rain barrels, and from pervious pavers to hand dryers, we have made every effort to protect "our" future with a thoughtful alternative.

Organic Survival - **Stout** - 22 oz \$ 12

Diamond Knot - Mukilteo, WA

Diamond Knot has been providing hand crafted, microbrewed beers for the greater Puget Sound region from their location since 1993. Diamond Knot was the first microbrewery in the Mukilteo area, and is still a leader and innovator in the craft beer industry in the Puget Sound region, with many brews being the style against which other breweries strive to make.

Industrial - **XIPA** or **Brown Ale** - 22 oz \$ 12

Never Been Touched

This Princess has been locked away in the tower for ages.

Subsisting on a diet of Cured Grapes, Almonds, Hazelnuts and Fresh Cream. She is sweet and nutty made with French Brandy, Amaretto and Frangelico all served on the rocks with cream.

Prince Albert

As Queen Victoria's companion he is a bit more surly. Spicy Gin slips under the sheets with Sweet Vermouth and herby monk Benedictine; shaken vigorously and served up.

Sloe Screw

Sloe Gin slides down the ice in this Vodka and Fresh Orange Juice drink.

Wrap your lips around the glass and
take an adventure just north of the equator.
Where Cane and Cactus abound.

94 Spaniards

100 went... 6 returned. In honor of those that gave their
all we have created this most impressive caramelized sugar
rim concoction. 151, Citronage and a dash of cinnamon
ignite in a flurry of sparks. Cooled with Coffee Liqueur
and freshly made whipped cream.

Give us at least 15 minutes (30 on a busy night) to get everything together to create this masterpiece.
